Pittman's Ponderosa Art Camp

Date: June 12-15 (Mon-Thu. – NO FRIDAY CLASS)

Grade/Age: Entering 2nd - 7th

Time: 9:00 a.m. - Noon

Price: \$120

Additional Info: Come be one of Mrs. Pittman's Buckaroos! Expect arts & crafts, fun and games "western style."

Minecraft Programming (Brainopolis)

Date: June 12-16 (Mon-Fri)

Grade/Age: Entering 2nd - 7th

Time: 9:00 a.m. – Noon

Price: \$120 (Reduced fee of \$210 total for both **Brainopolis** camps)

Additional Info: Using the Minecraft theme you will create your own computer games. Create a game to save Steve from the creepers or a game to chase the Ender Dragon. Can you think of a game with Mobs? If you can imagine it, you can program it. As an added value, you will also create a model of an Ender Dragon and a model of Steve to take home. Bring your own mouse and a flash drive.

Robotronix (Brainopolis)

Date: June 12-16 (Mon-Fri)

Grade/Age: Entering 2nd - 7th

Time: 1:00 p.m. – 4:00 p.m.

Price: \$120 (Reduced fee of \$210 total for both **Brainopolis** camps)

Additional Info: Students combine robotics, science and programming, integrating design, math and animation concepts as they create simple computer games. Students learn the basic concepts of structured programming and the logical flow of commands. One laptop per child is provided to work on during the camp. Bring your own mouse and a flash drive.
