

Scotfield Christian School

We believe in a well-rounded, Christ-centered curriculum. Our academic program is based on proven, well-regarded curriculum publishers such as *Handwriting without Tears*, *Explode the Code*, *Purposeful Design*, and *Saxon Math* which prepare our students to excel academically.

We are proud of our Association of Christian Schools International (ACSI) membership which allows us to perform in competitions with other Christian schools.

- **2017 ACSI Choral Festival** – The SCS All School Choir and Cornerstone Chorale both received the Sweepstakes prize, which is the highest award a choir can receive at the ACSI Choral Festival.
